4. No person shall refuse to obey the orders of the Chief Engineer or other person in command at fires with a view to keeping order and the protection of life and property thereat, and no person without reasonable cause shall make or circulate, or cause to be made or circulated, any false alarm of fires by outcry, ringing of bells, or otherwise.

5. No smokestack, or pipe of metal for carrying fire, smoke, or hot air, shall be fixed nearer than twelve inches to the face of any timber or wall of wood, and no such smokestack or pipe of metal shall pass through any timber-framing, partition, or floor, or ceiling of wood, or lath and plaster unless it is encircled by a rim of solid stone, or brick, or metal not less than four inches wide.

6. No person shall set or place any stove, furnace, range, or vessel in which fire may be kept, in such a manner that the back thereof be less than sixteen inches from any woodwork, unless the woodwork is protected by metal, and in that case not less than twelve inches; and all iron stoves, furnaces, and vessels in which fire may be kept, not built into a brick chimney, shall stand upon stone, brick, or zinc, or other incombustible material which shall project at least one foot from the front or door of the same.

SUMAS BY-LAWS.

No. 32.

A BY-LAW

To authorise the sale of lands within the Municipality of Sumas upon which taxes have been due and in arrears for two years.

WHEREAS it is expedient that all lands or real property within the limits of the Corporation of the District of Sumas upon which municipal taxes have been due and in arrears for two years prior to the passing of this by-law shall be sold, and the proceeds applied towards the reduction of such taxes:

Be it therefore enacted by the Municipal Council of the Corporation of the District of Sumas as follows:—

1. The Collector of the Municipal Council of the Corporation of the District of Sumas is hereby authorised and directed whensoever taxes on any land or real property have been due for two years preceding the current year, to submit to the Reeve and Council of the said Corporation a list, in duplicate, of all such lands or real property, with the amount of arrears against each lot set opposite to the same, and the Reeve shall, upon resolution of the Council, authenticate such list by affixing thereto the seal of the Corporation and his signature, and one of such lists shall be deposited with the Clerk of the Corporation, and the other shall be returned to the Collector with a warrant thereto annexed under the hand of the Reeve and the seal of the Corporation, commanding him to levy upon such lands or real property for the arrears due thereon, with costs and expenses of or incidental to the proposed sale.

2. The Collector shall prepare a copy of the list of lands or real property to be sold, and in such list shall be scheduled, in separate columns, (1) the amount of taxes unpaid to the date of passing this by-law; (2) the Collector's commission authorised by this by-law to be paid to him, and contingent expenses of sale; (3) the total amount of taxes and costs for which the property is liable to be sold; and the Reeve shall authenticate such list by affixing thereto the seal of the Municipality of Sumas and his signature, and the Collector shall cause a copy of the last-mentioned list to be published for a period of at least one month preceding the date of such intended sale in some weekly newspaper circulating in the Municipality of Sumas.

3. It shall not be the duty of the Collector to make inquiry before effecting a sale of lands or real property for taxes to ascertain whether or not there is any distress upon the land, nor shall he be bound to inquire into or form any opinion of the value of the land or real property.

4. The advertisement shall contain a notification that unless the arrears and costs are sooner paid he will proceed to sell the lands or real property for the taxes on a day and at a time and place named in the advertisement.

5. The Collector shall, at least two months before the time of sale, also deliver to, or deposit in the post office, to the address of the registered owners of such

property which is to be sold for taxes as aforesaid, or to the agent of such owners, and to the holder, or agent of holder, of any registered charge on such property, a notice in writing, or partly in print and partly in writing, of the amount of taxes due, and that the property is to be sold for the arrears so due, and in case the name of the owner or agent is unknown, a notice to the same effect shall be posted upon the land intended to be sold, and also, at least two months before the time of sale, post a notice similar to the above advertisement in some convenient public place, that is to say, on the front door of the Sumas Council Hall.

6. The day of sale shall be the thirty-third day after the first publication in a newspaper of such list, exclusive of the day of such publication, except in case the said thirty-third day shall fall on a Sunday or holiday, in which case such sale shall take place on the following day, at the Council Hall, in Sumas Municipality, and shall begin at 12 o'clock noon.

7. If at any time appointed for the sale of the lands or real property no bidders appear, the Collector may adjourn the sale from time to time.

8. If the taxes have not been previously collected, or if no one appears to pay the same at the time and place appointed for the sale, the Collector shall sell at public auction so much of the land or real property as may be sufficient to discharge the taxes, and interest thereon, and all lawful charges incurred in and about the sale and the collection of the taxes, selling in preference such part as he may consider best for the owner to sell first, and in offering such land or real property for sale it shall not be necessary to describe particularly the portion of the lot or section which shall be sold, but it will be sufficient to say that he will sell so much of the lot or section as shall be necessary to secure the payment of the taxes due, and the amount of taxes stated in the advertisement shall in all cases be *prima facie* evidence of the correct amount due.

9. If the Collector fails at such sale to sell such land or real property for the full amount of arrears of taxes due, he shall at such sale adjourn the same until a day to be publicly named by him, not earlier than ten days nor later than three months thereafter, of which adjourned sale he shall give notice by advertisement in the newspaper in which the original notice was

advertised, and on such day he shall sell such land or real property for any sum he can realize: Provided that in event of the price offered for any lot or section at such adjourned sale being less than the amount of arrears of taxes due in respect of such lot or section, the Collector shall have power, if he thinks fit so to do, to purchase such lot or section in the name of, and on behalf of, the said Municipality.

10. If the purchaser of any property or parcel of land fails immediately to pay the Collector the amount of the purchase money, the Collector shall forthwith again put the property up for sale.

11. Immediately after every sale the Collector shall return a list of the arrears satisfied by such sale to the Clerk of the Municipality, and shall at the same time pay in the proceeds to the Treasurer of the said Municipality.

12. The Collector shall be entitled to five per centum commission upon all sums collected by him as aforesaid.

13. This by-law may be cited for all purposes as the "Sumas Real Estate Tax Sale By-Law, 1897."

Passed the Municipal Council the 10th day of April, A.D. 1897.

Reconsidered, adopted and finally passed the Council this 17th day of April, 1897.
